

Elite Tents Open Day and Tipi Showcase at Middleton Hall

On Saturday 2nd February 2019, a magical experience is awaiting you at one of our gorgeous Dream Venues - the stunning **Middleton Hall**. Come and experience the warm glow of the fire pits, the sparkling fairy lights and the rustic chill out and hides inside our tipis which will be set up on the West lawn at Middleton Hall. So whether you have only just got engaged, are still deciding if a tipi is for you, or have already booked your tipis please come along and see the tipis for yourself.

TENTS

let's make it memorable

And when??

Saturday 2nd February 2019:
11am – 3pm

Why should you consider a tipi reception?

Tipis are an amazing alternative to traditional white marquees.

They can be cool and open in the summer as the sides raise up to show the view

Or they can be warm and cosy for a winter wedding with all their sides down.

They are watertight, weather proof and massively flexible in the way they can be configured together.

And don't just take our word for it...

To The BEST Tipi team around! Elite Tents what can we say.. Thank you so much from the bottom of our hearts for all your amazing hard work in helping create our perfect day! From our first phone call, to meeting you at one of your open days where we gained such brilliant advice to you knocking on our front door with the most beautiful Tipi going ready to set up! The crew were just amazing when setting up (and taking down) very professional, hard working and relaxed which is just perfect, nothing seemed too much bother.

We couldn't thank you enough for your 'service' which was above and beyond our expectations!

The New Mr and Mrs Winters (Lucy & Tom) XX
married 4th September 2015 in 3 Giant Kâtas
